## UCCA Launches #ThankOurHeroes Letter Writing Campaign

For over 8 years Ukraine's men and women have been on the frontlines of democracy, defending Ukraine and all of Europe against the Russian aggressor.

With the amassing of over 130,000 Russian troops and equipment along the borders of Ukraine, there is a real possibility of Russia's further invasion into Ukraine. To help boost the morale of our heroes UCCA is launching its #ThankOurHeroes letter writing campaign to support Ukraine's Frontline Defenders, as well as her wounded warriors.

We are calling on our children to support UCCA's project by submitting their drawings, letters, poems and/or stories to: [UCCAHeroes@gmail.com](mailto:UCCAHeroes@gmail.com) Should you feel comfortable, please sign your name, age, and the state you live in. Let our warriors and wounded know that their bravery and sacrifices are appreciated by Ukrainians worldwide. No matter where we are, we are one nation, one people.

UCCA will be working with various organizations to deliver the letters to our Ukrainian heroes. We urge our community to join our campaign and send your letters/drawings as soon as possible, but no later than February 28, 2022.
